i wish my mommie didn't leave me here alone!

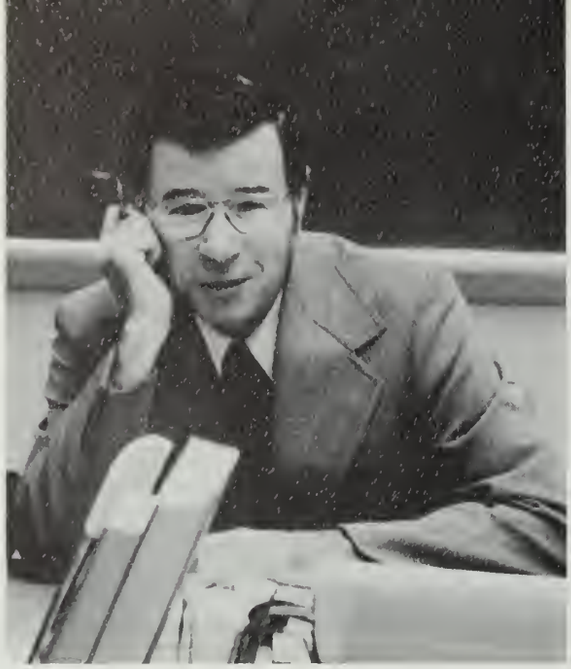
"come to daddy "

use some psychology on 'em!

pass me that note, please!

like father, like son?

"30 seconds for thought and meditation."



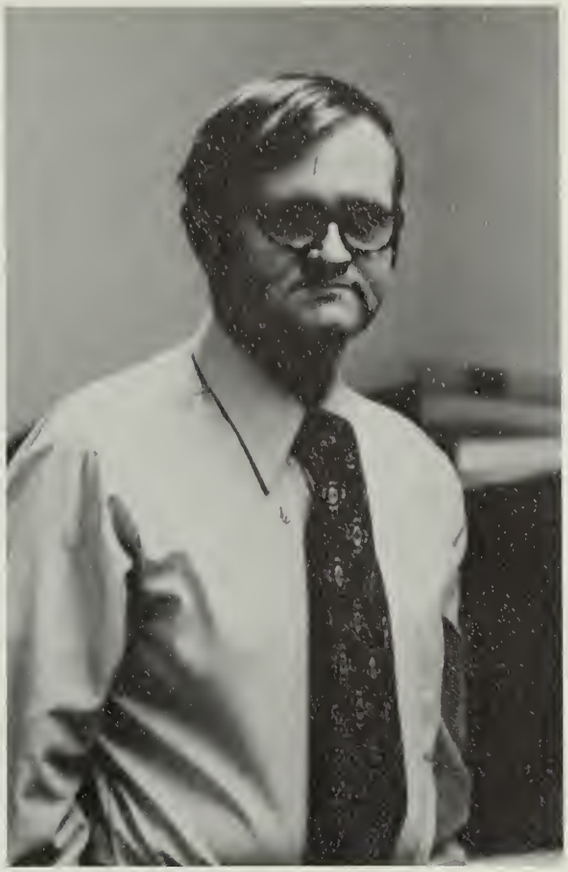
well, *i* thought it was a good answer.

but i don't even smoke.

swing to the left, swing to the right.

which way to the pyramid, fellas?

all that hard work cheating and i still got an "f".

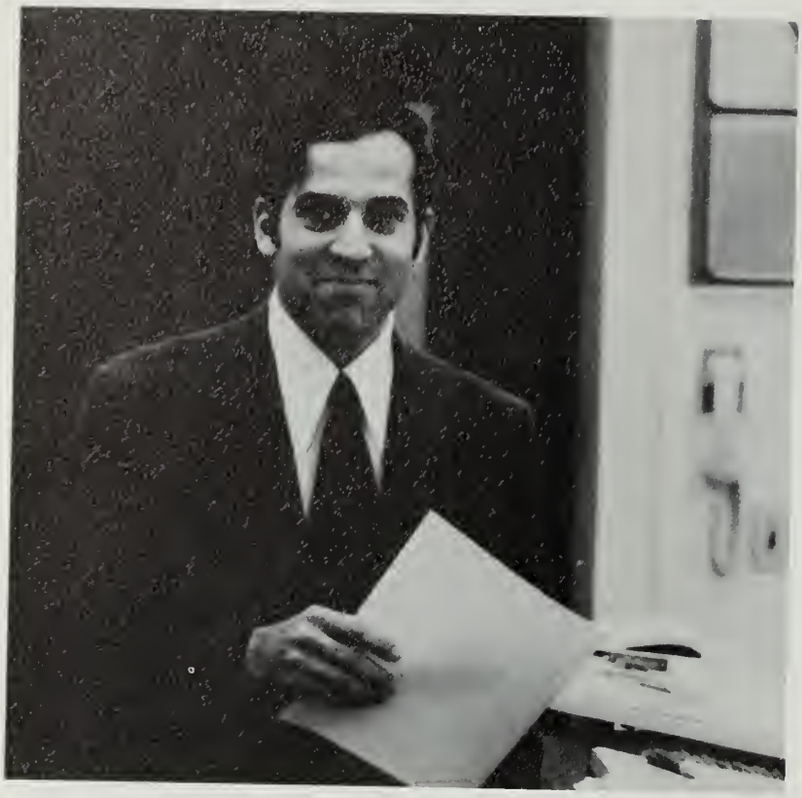


alright, who stole my lollipops?

we have to stop meeting like this . . .

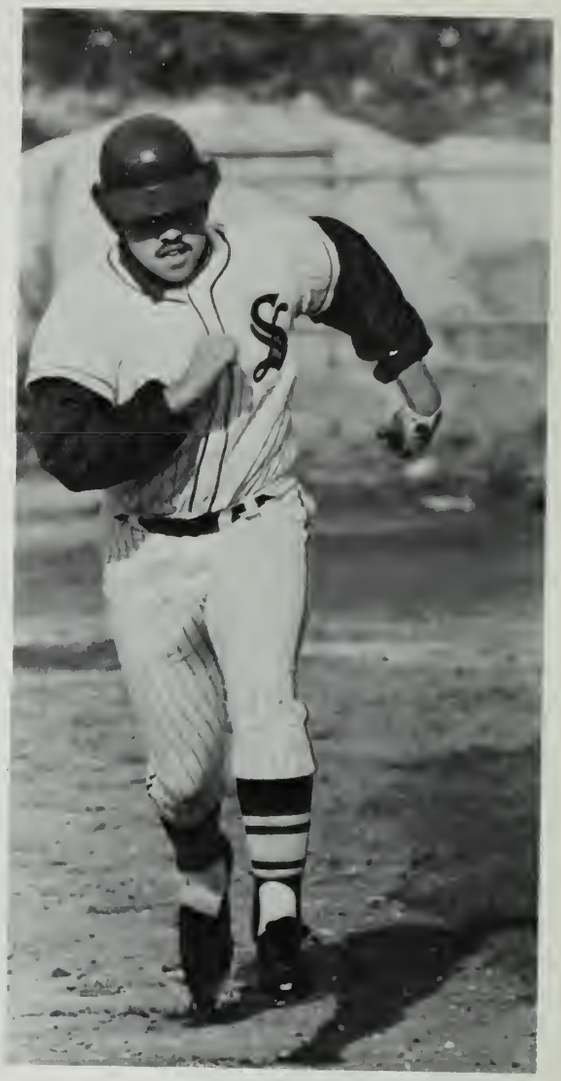
this is the way we draw a head . . . draw a head .

don't just wink at the ball, hit it.



you devil . . you.

r-i-p

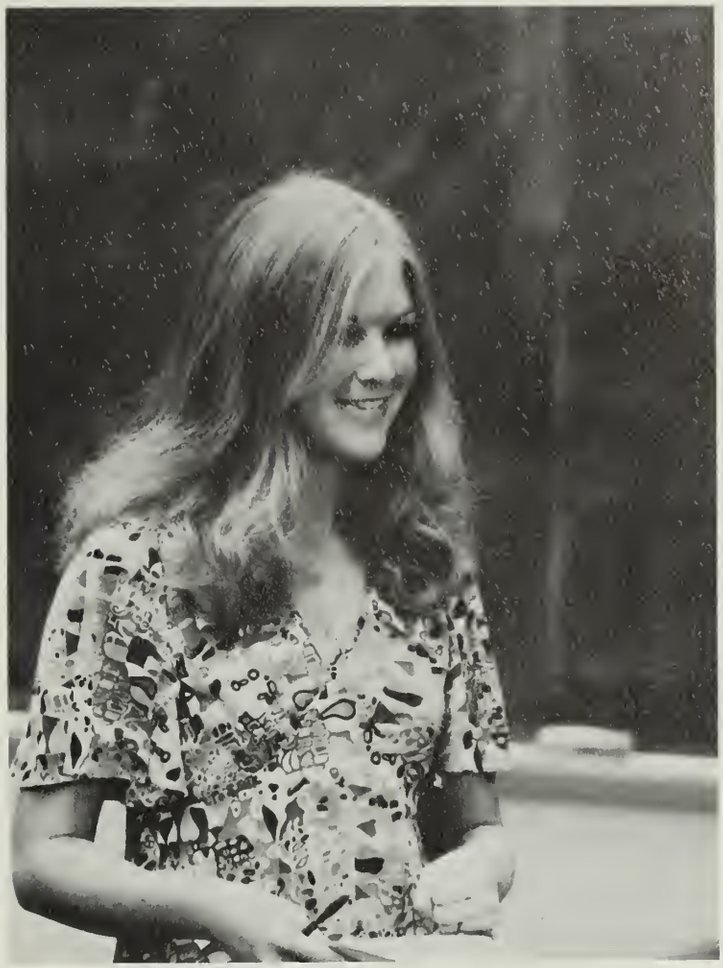


better stop brewing!

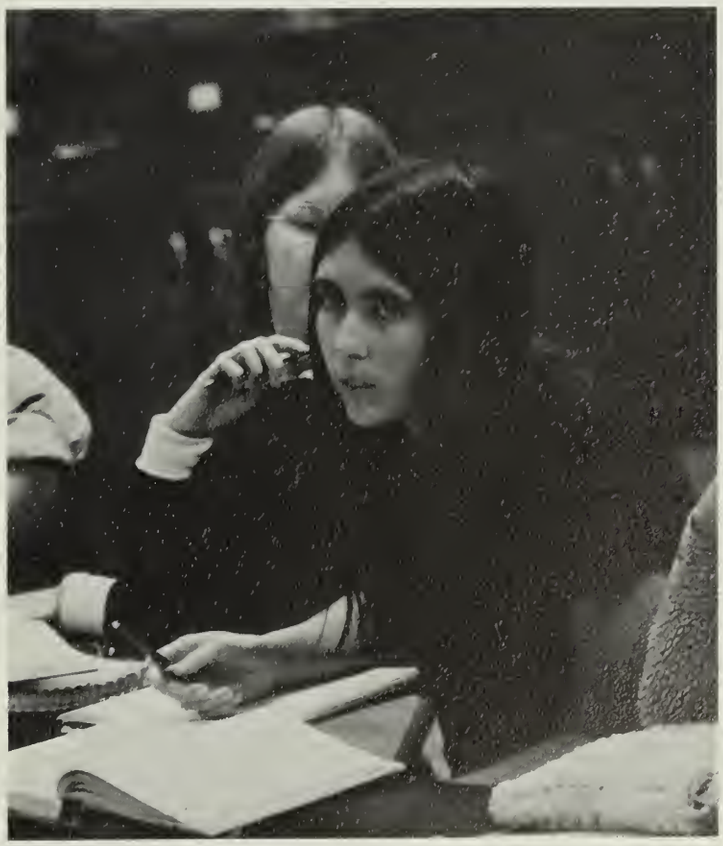
got something for ya!

is this the party to whom i am speaking?

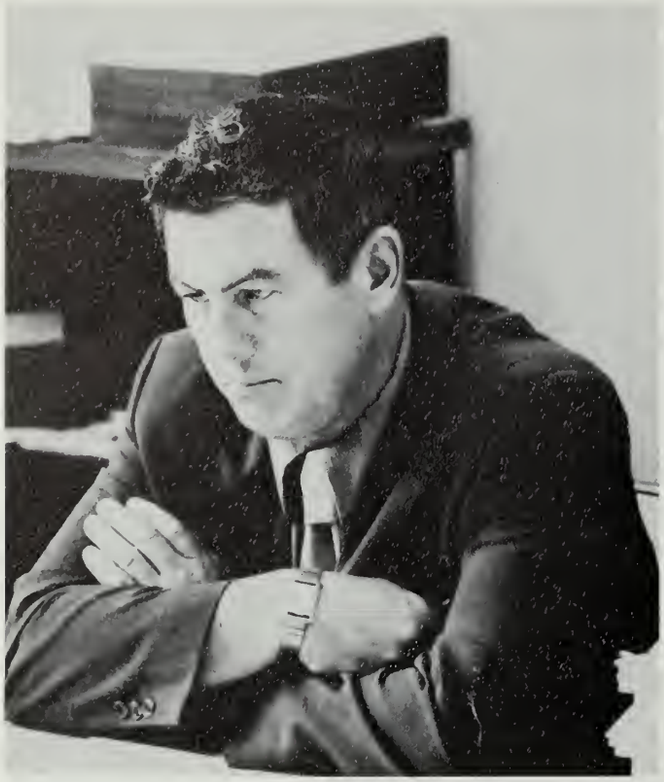
you gave me that excuse to get out of the last gym class.



young man . . give me that knife!



aw shut up, i couldn'd find my mittens!

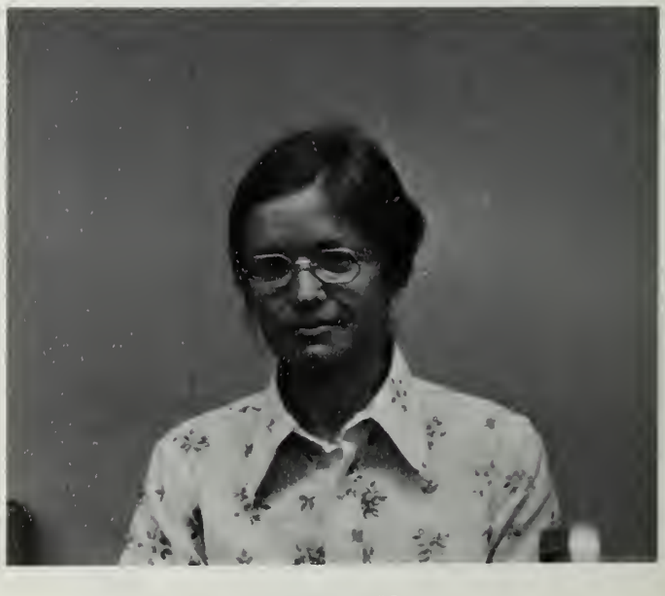


i'll have to suspend you for that remark.

don't laugh, you're next.

contestant # 1

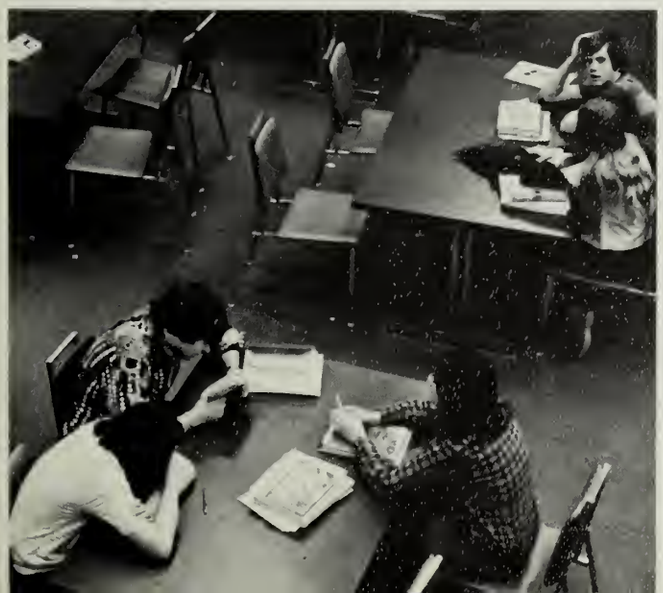
contestant # 2

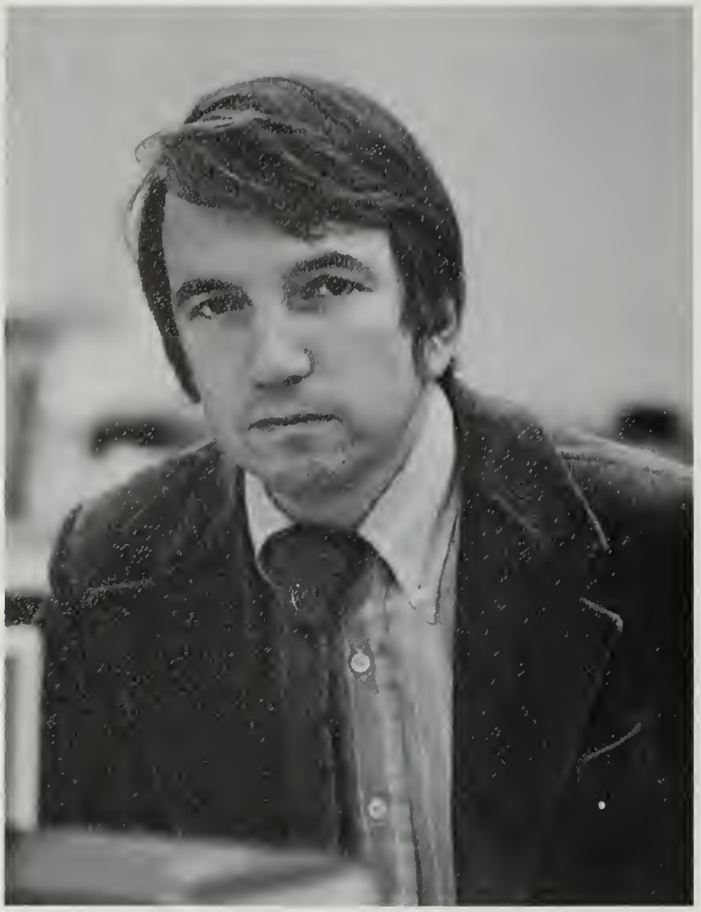


contestant # 3

keep on trackin'.

why don't you come up and see me sometime?



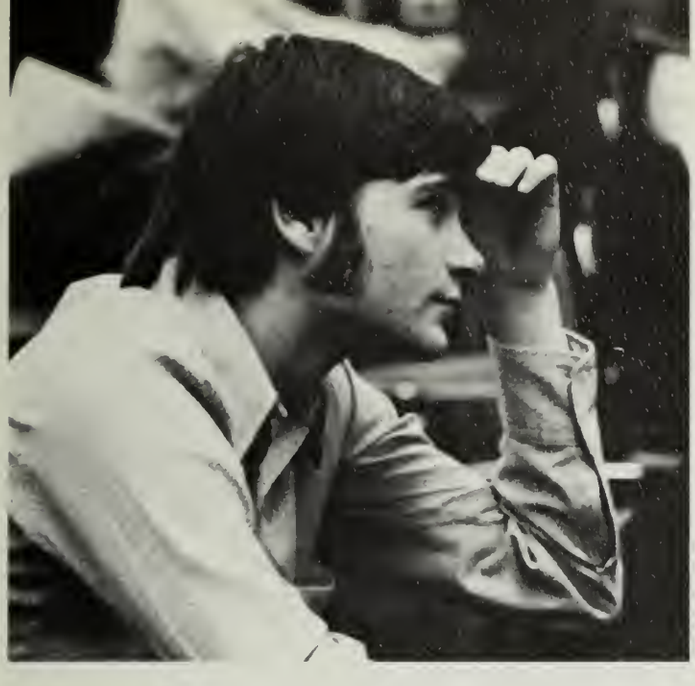


anybody got a bromo?

get that liver, marge.

how to get a teenage boy and what to do with him when you get him

did you snap it yet?

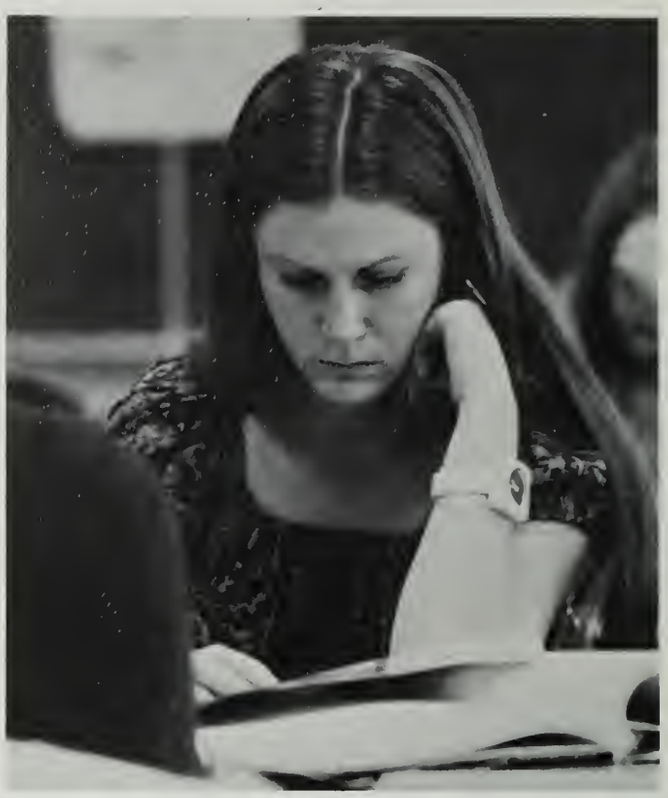


we're off to see the wizard!

scrabble, anyone?

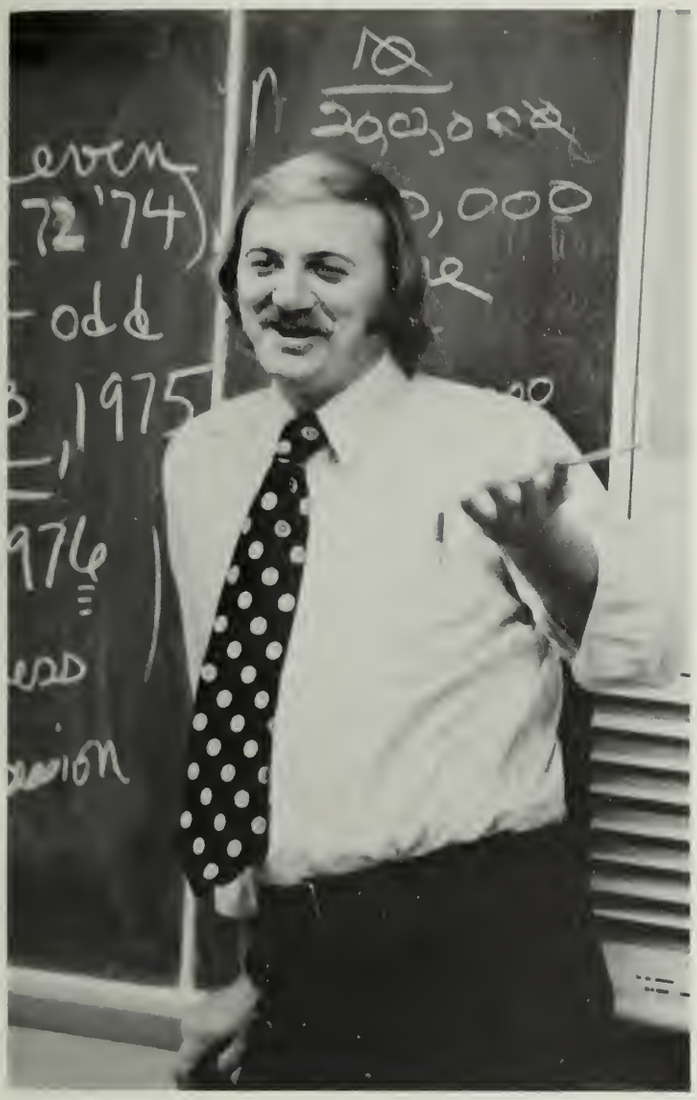
over here, cutie!

how's business picking up?



i'm not ready for this.

now, *he* has sexy legs.



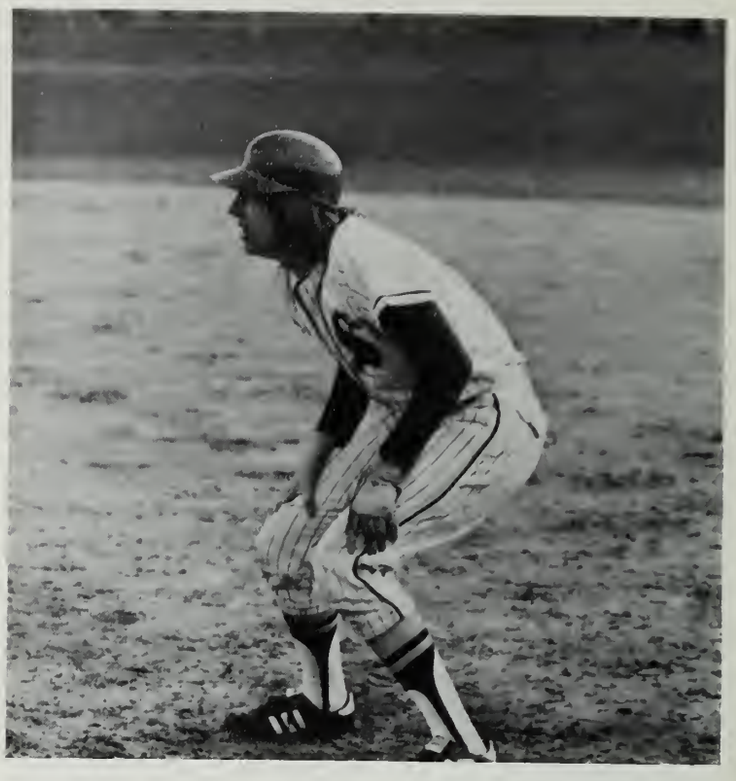
do you want to hear some good indian jokes?

okay, ladies, who's next?

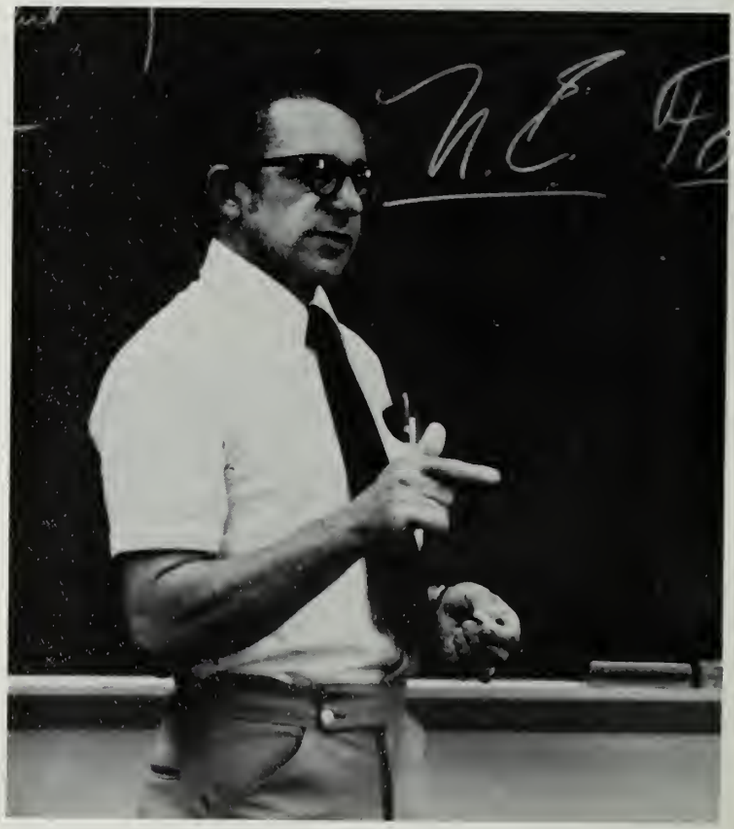
wow, what legs!

well, don't cry to me, that's what *she* told me.

step into my cubicle



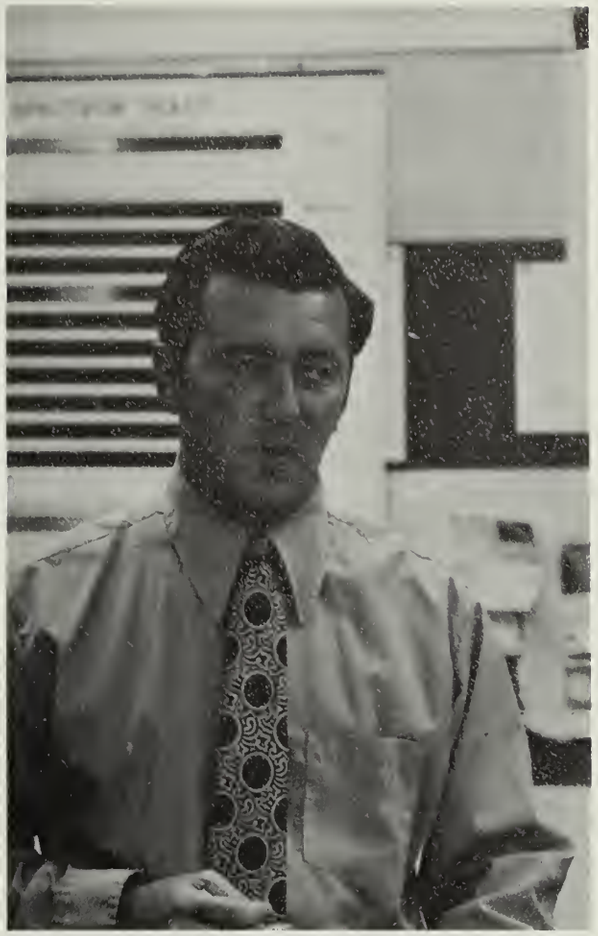
sure could use a stool.



you dirty rat, you shot my brother in the back!

sure wish i could order something from the bakery!

see, i can do it, too!

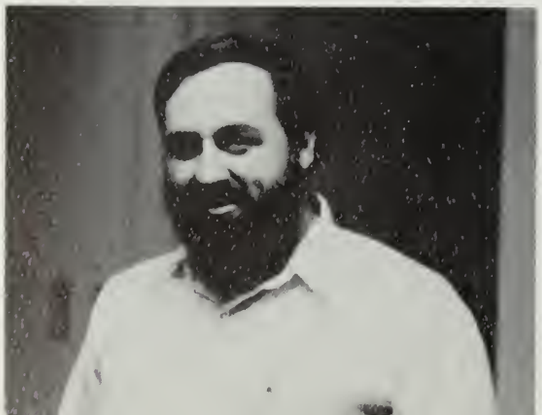


wow wee!

all aspirin's alike.

if arnold could see me now.

another post-grad, huh?



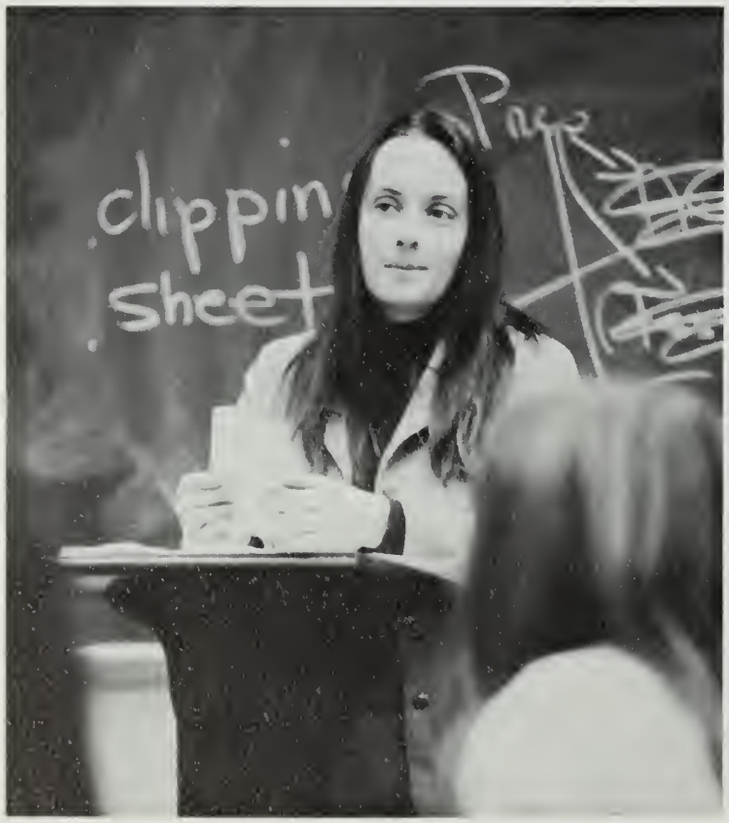
don't tell me — your dog ate your homework.

if glenn were only here.

the track is faster on the other guys' side.

if that's what you really want to be.

you know, i never thought of that.



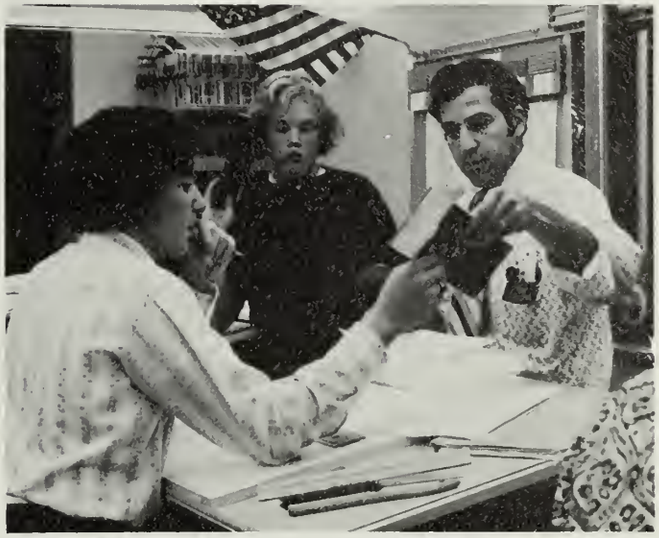
you makin' fun of snow white?

you tell 'em stevie.

boy, you've got some nerve.

what do i say?

somedays i just feel so left out.



i think i'm lost.

liked that one didn't ya?

mmm . . . good!

who was that man with the mask?

jack and jill went up the hill

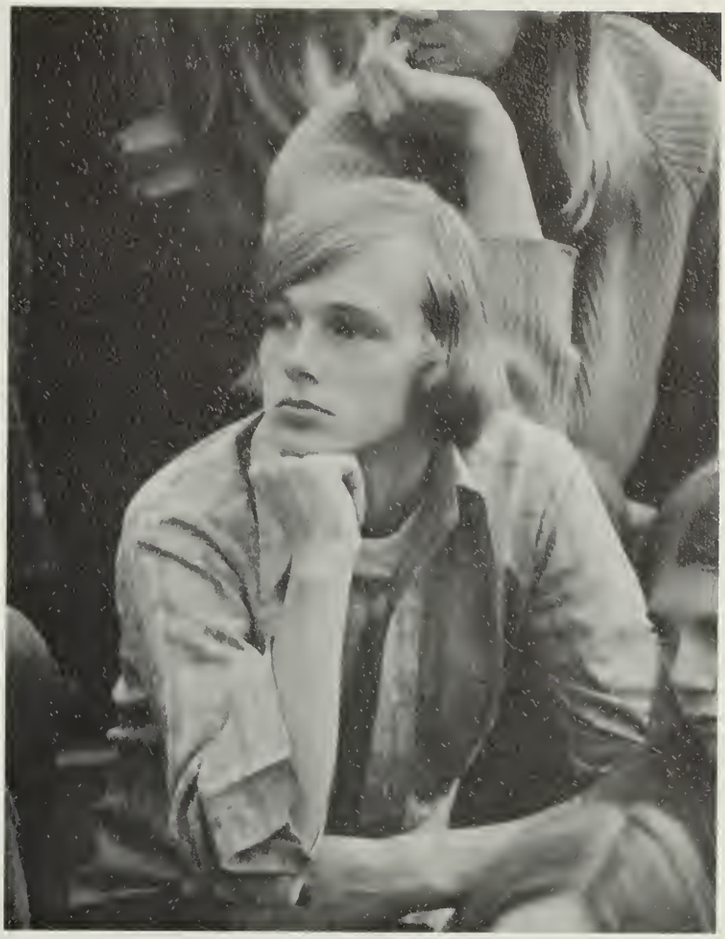
you're kidding!!!

quick, while she's gone!

the "look like you're paying attention" expression.

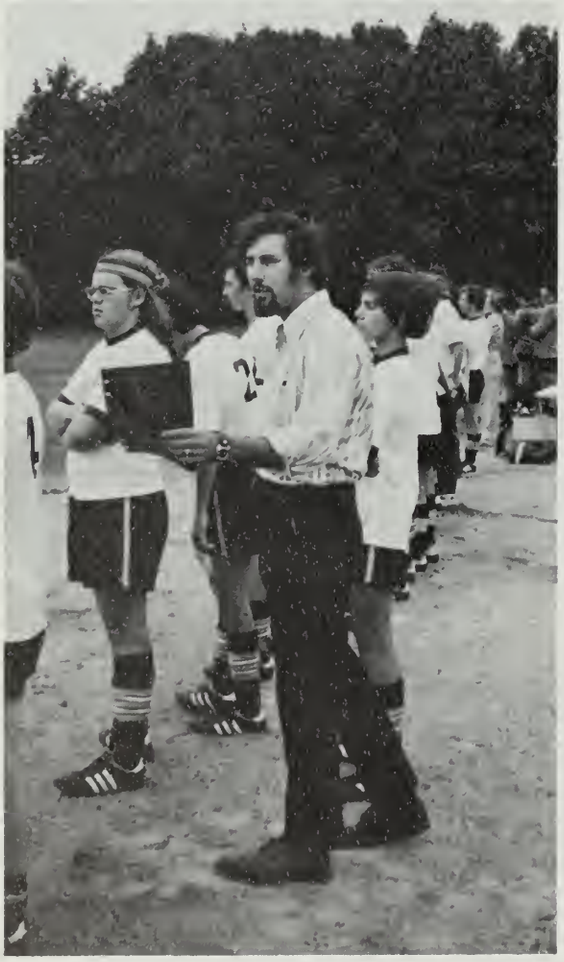
when you're #2, you try harder.

take that, you lousy . . .



gee, i love that kind of talk . . .

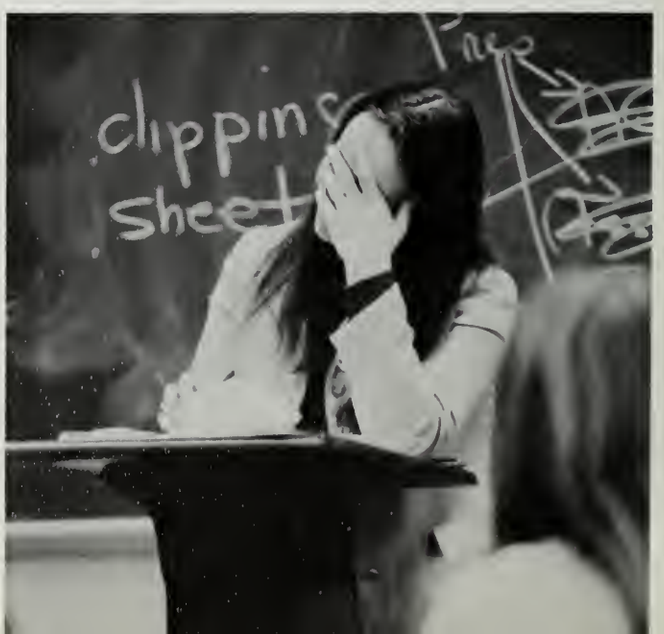
you can't be serious!

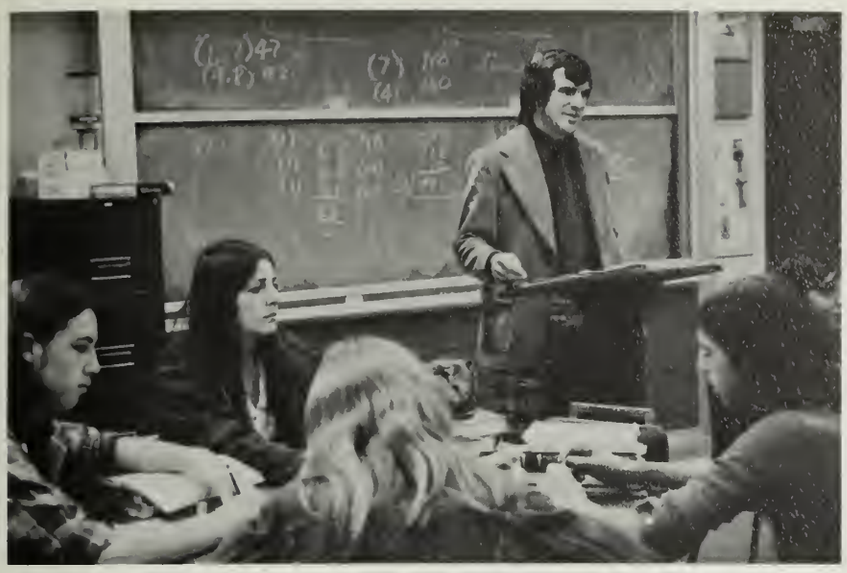


let me think

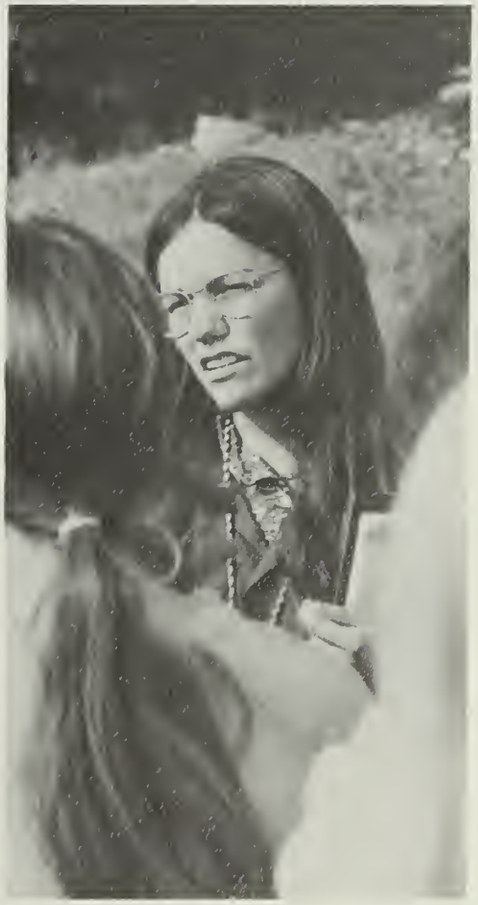
what do you mean you never heard of mother goose!

swing your partner, circle left





he shouldn't have said that about me.



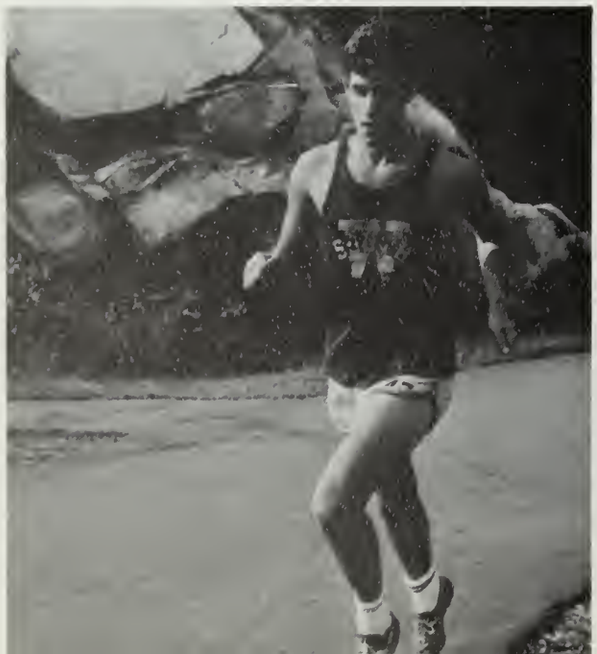
you wanna die young?

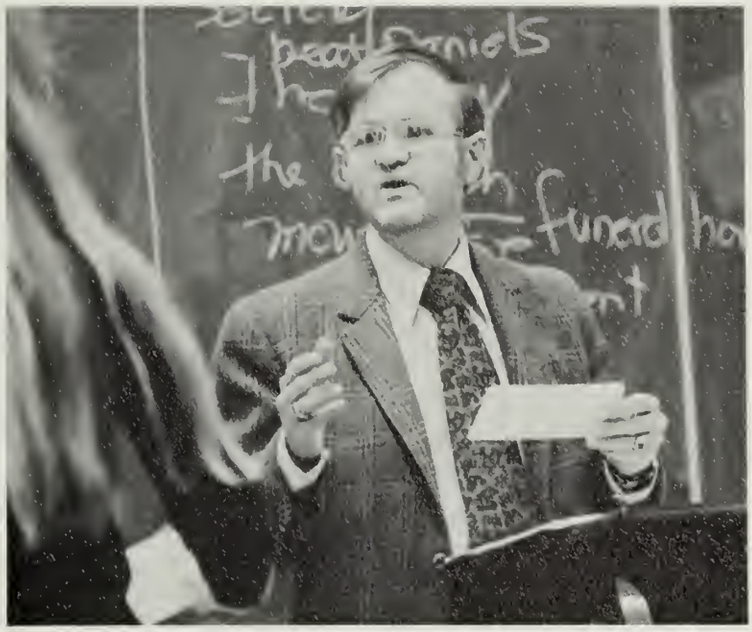
ooh! and then he said *what??*

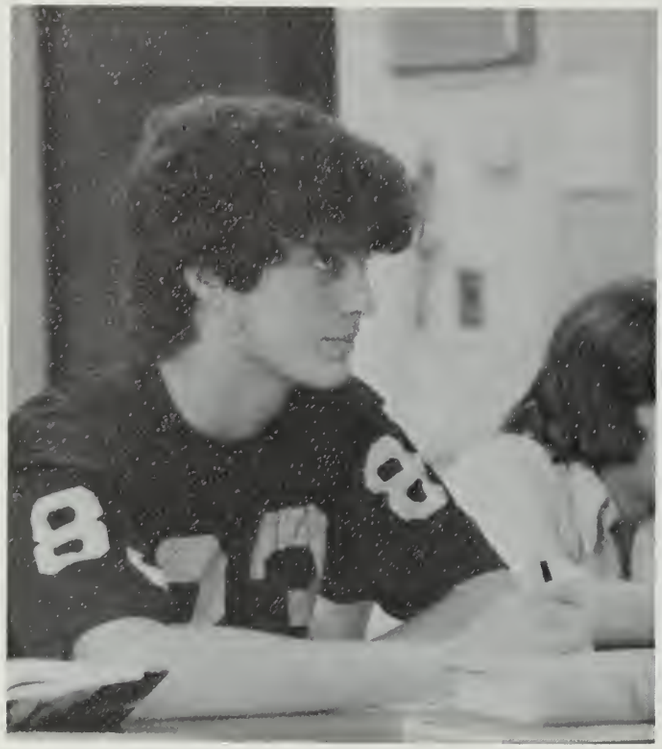
i will *not* suck my thumb.

darn that new hairspray!

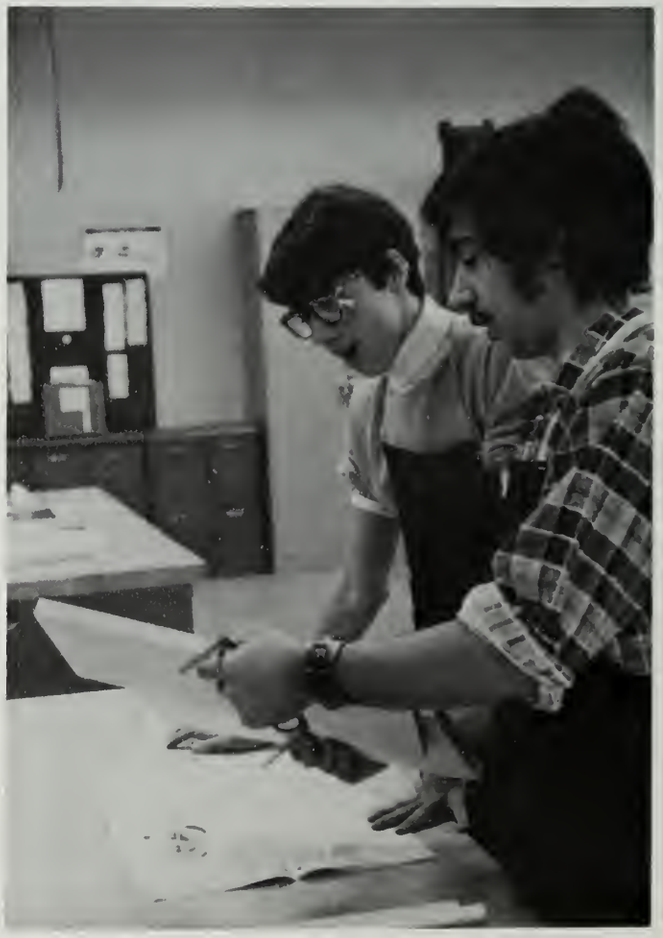
. . . nice or what?







for a teacher, she's not bad . . .



don't look so bored, dad.

" what a day for a daydream "

you see, first you thread the needle

nothin' to it!

faculty

wilbur stanton — principal

i entered the school frightened
and withdrawn
when i first saw you, your warm
smile
calmed my day
your wise advice has made my
journey through school easier
you seemed to open us up and
brought a sense of
unity and friendship to our class
the cloudy days in our lives
have been cleared by
your encouragement and
confidence in us
someday i hope i can
share with you
the friendship and
devotion
which you have shown with
all of us
